

Mercia Therapy Centre Recommended Donations Guide

Mercia Therapy Centre is a registered charity.
We ask for a donation toward the cost of your treatment.
We do not make a profit from any of the therapies that we offer.

We were established in 1984 and were primarily set up for people with multiple sclerosis, therefore, we subsidise treatments for people with MS through our charity fundraising, we also subsidise hyperbaric oxygen for other lifelong conditions, including cerebral palsy, autism and stroke.

We are open to the public offering high quality low cost treatments.
